

STILL, STANDS,  
1000 YEARS  
ON EARTH

 HOKOKU ECO SOLUTIONS CO., LTD.

## For future of ENVIRONMENT and ENERGY with MONOZUKURI ものづくり Spirit.

We have been involved in the environmental energy business since the days of our parent company, HOKOKU KOGYO Co. Our strengths lie in our long track record of success, and in our engineering expertise in the field.

We can propose effective solutions for energy conservation and carbon neutrality not only from data, but also comprehensively based on the characteristics of facilities and systems.

## OUR ROOT PRODUCTS

Small-scale hydraulic power generator plant (Kochi, 1991)
